

## Fall 2024 - Spring 2025 Sponsorship Opportunity

The Annville-Cleona Youth Soccer Club (ACYSC) is dedicated to nurturing young athletes, building their confidence, strength, and leadership skills. Our club serves over 170 families who live and work in the Annville-Cleona community, making your support incredibly impactful on a local level.

Sponsorship is a fantastic way to show your support for our future leaders while promoting your business. **Throughout the Fall and Spring seasons**, your business will benefit from exposure to hundreds of local families and visibility throughout the Lebanon Valley as we compete against other local teams, providing you with a unique advertising opportunity.

Your donation helps cover essential costs such as player registration fees, equipment, field maintenance, insurance, referee fees, league fees, and uniforms, allowing our club to continue to offer affordable recreation to the youth of our community.

Please review the attached pages for more details on sponsorship levels and benefits. We look forward to partnering with you to support our soccer club.

Thank you for your consideration,

Sincerely,

Doug Eby - ACYSC President

Irene Reedy - ACYSC Vice President
